

Steps To Help Me Move Closer To What I Want

(You will think about WHO or WHAT can help you with the steps in the STAR)

Things That Might Make It Hard To Live My Good Life

My Vision for a Successful Transition from Foster Care

What is my vision for the next year?

What are the things that MUST be in place for me to have a safe and successful transition from foster care and to achieve my short and long term goals?

My vision for a Good Life in the future

What I Don't Want as I Transition from Foster Care

What do I not want for my life in the next year?

What I don't want in my life in the future
