Sponsor or Exhibit at the Charting the LifeCourse Showcase

Contribute to the Energy with Sponsorship Opportunities

Sponsor or exhibit at the annual Charting the LifeCourse Showcase and celebrate the impact of our constantly expanding community. As a sponsor or exhibitor, your organization will have the opportunity to celebrate successes and imagine what could be next with a national audience of innovators who use the Charting the LifeCourse framework and tools.

Join us for the seventh annual Charting the LifeCourse Showcase on May 2-4, 2023. Connect with over 500 self-advocates, family members, direct support professionals, service coordinators, teachers, transition coordinators, service provider executives, leaders of state health and human service agencies, and other stakeholders from around the country. These change agents are enhancing practices, policies, and procedures with the goal of supporting good lives for all. We invite you to showcase your partnership with the LifeCourse Nexus and demonstrate your commitment to exchange knowledge, build capacity, and engage collaboratively.

Sponsorship Opportunities:

For a detailed list of what is offered for each Sponsorship Level, see page two of this document. You can find detailed information about the conference program and presenters on the conference website. If you are interested in designing custom sponsorship benefits for an amount not listed, we are happy to discuss.

All sponsors will be able to:
- Provide information and resources to a broad array of stakeholders representing multiple disciplines/innovation areas
- Enjoy one-on-one interactions with attendees
- Have logos on the conference program, website, digital app, and in nationally disseminated promotional materials
- Be recognized prominently both before and during the event with event signage and special mentions during events

All Sponsorship Levels Include:
- Product table and/or display throughout registration area
- Swag or promotional items in the conference bag

Sponsorship Registration:

Sponsor registration will be completed via an online form. The following information will be required to complete the registration form.

- Organization Name
- Organization Address, City, State, and Zip
- Contact First and Last Name
- Contact Title
- Contact Preferred Telephone Number
- Contact Email Address
- Organization's Website
- Sponsorship Level
- Method of Payment

• Please upload a high resolution version of your company or organization's logo. The preferred file format is EPS, but JPEG, PDF, or PNG will be accepted based on the quality.
